

## To Jéssica's future employer

June 2019

I have known and worked with Jéssica since January 2019. Throughout this period, she has been a huge part of our online success.

Jéssica was hired as a Portuguese translator for our web shop. She has proven to be a reliable workforce and has been doing her job as expected from her. She has also been very eager to help us out with other unexpected tasks. She has had the responsibility for many different tasks, amongst them were product translations, newsletter translations and website text translations to Portuguese. We have always been satisfied with her quality of work, as well as precision and how she always delivers on time.

During the time I have known Jéssica, she has been a stable and loyal colleague, who have been good at completing tasks on her own.

We have been truly happy to have Jéssica working for us, and we even hope that this will continue into the future.
